(b) whether it is a fact that this increase has adversly affected the newspaper industry ; and

(c) if so, whether Government propose to reconsider the increase?

THE MINISTER OF STATE IN THE MINISTRY OF INFORMATION AND BROADCASTING (PROF. K.K. TEWARI) : (a) Government does not exercise any statutory control on the prices of newsprint. The mills have revised the prices of indigenous newsprint in May/June, 1989 re portedly on the ground of increasing cost of production and for maintaining their financial viability. The price of imported newsprint is fixed by the Newsprint Price Fixation Advisory Committee in which, among others, newspaper industry is adequately represented.

(b) The newspaper industry has been claiming that it is not in a position to compensate the higher costs as a result of the increase in the prices of the newsprint by increasing their subscription and advertisement rates.

(c) There is no such proposal under consideration at present.
